

An Adventure to a Paradise of Romance

Walking among the white-washed buildings with the mesmerizing blue dome cathedrals; enjoying coffee on a terrace, watching the setting sun paint strokes of pinks and orange across the quiet sky. You can't help but to fall in love with this magnificent, surreal place. Inspired by Greece's beauty and romance, sea and sun that transcends warmth and sincerity. We begin an eternal journey in paradise with blue touches, glistening motifs - a slice of heaven put on earth that reflects true love!

Into the Wonder of LOVE VOYAGE

Santorini is one of the most desirable destination to visit. It is so idyllic, breath-taking and romantic. It's architectural & the tranquillity sea speaks romance & loyalty. We echo the surreal beauty of Santorini into Love Voyage, a wearable romantic collection for you and the one.

An adventure to a romantic paradise

A reflection of true love, symbolising the beginning between two souls to a life's journey till eternity.

Beautiful Blue

Blue symbolizes trust, loyalty, confidence, faith and calmness - the perfect representation of happily ever after!

Unique Motifs

Exceptional motifs design represents Santorini unique building and structures.

Enamel is made with an opaque or translucent glossy substance, that is a type of glass for decorative coating in jewellery making. Colourful, lustrous and quality enamel requires skilful work of craftsmanship and is used widely on jewellery as it can spruce up the elegance of a beautiful masterpiece; making it a popular choice for renowned jewellery brands like Van Cleefs & Arples, Cartier, Bulgari, Harry Winston and more!
